- Hi!
-
- I will keep you filled with any updated information I have. Do you want me to
- make arrangements to be in attendance. I would consider that to be part of my contract
- obligations. Of course HBEC Group Inc. pays the travel expenses.

- Rep. Rich Glorioso respectfully invites you to participate in the
- Delegation's annual "Roundtables" with all elected officials as well as
- the presidents of HCC and USF on December 17 at the Trinkle Center, HCC
- Campus, 1206 N. Park Road, Plant City. The time schedule is pending and
- dependent upon receipt of local bills for consideration during the 2009
- legislative session. The Delegation office will release an estimated
- timetable as soon after the local bill filing deadline (November 14) as
- possible, but it is recommended that you plan on anything from a morning
- start to a continuance through the afternoon to conclusion.
-
- Rep. Glorioso requests that you bring to the table your legislative needs

- for the 2009 session, including all budgetary needs.
If you have
- requests for funds, whether through the normal budgeting process or
- through the submission of a Community Budget Request, (CBR), that
- information should be included at the Roundtables; and, it is requested
- that any CBR presentations not be scheduled or duplicated at the
- Delegation's January 14 meeting scheduled for that purpose.
-
- Please affirm your availability on December 17 and let me know if you have
- any questions or require further information.
-
- Best wishes to each of you as this day brings us the first of many filled
- with school buses on the roadways again and Tropical Storm Fay begins to
- make her moves on the great state of Florida.
